HOW IT WORKS

1

WEBSITE MARKETING PAGES

First, we add multiple marketing pages within your existing website. This ensures you are getting the most leads from your existing website traffic.

2

MARKETING PROMOTIONS

Second, we post professionally created marketing promotions each month to your social media pages. These promotions direct users back to your website where they can download one of 20 different planning guides we have created for you.

3

CUSTOMIZED BUDGETING - AN INDUSTRY FIRST!

You are in control of your marketing budget! You can apply your own marketing funds to each promotion we post on your own - we'll show you how! We stand ready to help as needed, but you no longer need an expensive marketing agency to generate preneed and at need leads.
